HIGH SCHOOLS & PREP ACADEMIES REMARKS

REMARKS

- PFS can't guarantee either that the Client will be offered a scholarship or what percentage of the scholarship will be offered, but, based on long experience and with great accuracy, PFS can give an estimate of the terms that will most probably be offered to the Client.
- The process is very turbulent and it can change easily so you mustn't consider it finished until you receive the I-20 documents.
- High school students have three breaks during the year and during them the schools are closed. It is important to mention that the boarding schools are also closed so the students living in them must find an alternative accommodation during the holidays. Considering that there are no practice sessions during holidays, the students can do one of the following:
 1. Turn to the school i.e. the Counselor for Foreign Students in time so that they can be assigned to a family they can live with during holidays.
 2. To stay with the family of one of their classmates.
 3. To stay with their friends or relatives in the USA (if they have any)
- PFS is under no obligation to provide any kind of help in finding accommodation during the school breaks.
- PFS is not responsible for the Client during his stay in the USA
- PFS helps his Clients fulfill their dreams
- The Client's interest is our interest
